MUSK MELON

The Musk Melon seed quoted will be grown especially for seed purposes by growers who do not ship any melons, and will be far superior to the low priced seed frequently offered and which is largely saved from the culls or residue crops after the best melons have been shipped to market.

A small additional charge will be made for less than 10 lb. quantity of any variety.

understood that we, The Western Seed & Irrigation Company, are to undertake to contract
 ordinarily produce the quantities ordered herewith, and in the event of short or unmerchant-
 able seed product received from said acreage shall be applied on an equal pro rata
 basis in filling contract orders, after reserving sufficient stock seed for ourselves. In which event said pro rata
 deliveries shall be considered satisfactory, and release us from further obligations.

The above stocks are sold under the non-warranty clause adopted by the American Seed Trade Association, viz: "We
 exercise GREAT care to have all seed pure and reliable, but we give no warranty, express or implied, as to description, qual-
 ity, productiveness, or any other matter of any seeds, bulbs or plants we send out, and we will not be in any way responsible for
 the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned."
